About the Group

Chicago's premiere AWS community! User-run, user-focused, monthly meetups in the Chicago area. Join us!

Past Talk Slides

Slides from our presenters over the last 4 years in Chicago. Thanks to speakers for sharing their work! View all slides on Slideshare.

Past Event Videos

Select videos from past user group talks. Recorded and hosted by our friends at Spantree. See the latest videos here.

Frequently Asked Questions

Want to get involved but don't know where to start? Read our FAQs for sponsors, speakers, and general events.

New Stuff

3,700+ members

Monthly events

More hands on events, AWS speakers

RSVP policy: 2 weeks before events

Emphasis on in-person events

Feedback

- New formats: most demand for full day (4hr+) workshops, demos-only, and hands-on events

- **Downtown, weekday evening events** are best, followed by some potential for a full-day weekend

- Emails and meetup.com reminders are most useful for learning about events

Multi-cloud

Alexa & Machine Learning

Managing AWS - IAMs, costs, & tools

Migrating to AWS / migration services

Security - network, app, & compliance

Intro to AWS

AWS Fargate

Kuber netes

Big Data & Analytics

Serverless

Save the Dates
